

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF OHIO
WESTERN DIVISION**

Brandon Jones,

Case No. 19cv1190

Plaintiff

v.

ORDER

Corrections Officer Grimm, et al.,

Defendants.

This is a civil rights case in which Magistrate Judge James R. Knepp II has filed a Report and Recommendation recommending that I grant defendants' motion to dismiss (Doc. 11).

The Magistrate Judge notified the parties that any objections to the R&R were due within fourteen days after the filing of his R&R, which occurred on March 3, 2020. Because Jones did not file a timely objection, he forfeited his right to de novo review of the R&R. *Smith v. Detroit Fed'n of Teachers Local 231*, 829 F.2d 1370, 1373 (6th Cir. 1987). I need only "satisfy [myself] that there is no clear error on the face of the record in order to accept the recommendation." *Bogan v. Morgan*, 2012 WL 3776514, *1 (N.D. Ohio 2012) (Gaughan, J.).

Having reviewed the Magistrate Judge's careful handling of Jones's claim under 42 U.S.C. § 1983, I am satisfied that the R&R properly disposes of this case.

It is, therefore,

ORDERED THAT: The Magistrate Judge's Report and Recommendation (Doc. 12) be, and the same hereby is, adopted as the order of the court.

So ordered.

/s/ James G. Carr
Sr. U.S. District Judge
